1.4. List of Tender/Enquiry (RFx).

Click on RFx and Auction to view the RFX which are posted online. For the refreshed data of RFX click on

the Published. Two links are provided to view RFx.

Link 1 (All) – Will display all RFx for which action taken, pending for action, saved, submitted

Link 2 (Published) - Enquiries which are live will be displayed

Note: You have to click on refresh button to refresh the data

1.5. Detailed description about RFX

Event number - Event number is the Enquiry number

Event Description – The title of the enquiry (RFx)

Event Type – Type of Tender i.e. Open or Selected Tender, Two Envelope or Single Envelope or Proprietary. There are two kinds of event type one is from the Local Purchase section (LPS) and the other one Contracts (CTR). For Contracts CTR is used and for Local Purchase LPS is used. Enquiries related to LPS can be opened, but enquiries related to the contracts can be opened only after paying the tender fee. You will get error message "Please register yourself to participate in the in the RFx"

End Date: End date will be the closing date of the RFX

Response number: is the quotation number. It will be generated when you create a response for a RFX **Response Status**: When you save a response it will show as saved, click on submit the response will show as submitted

Notes :

- CIF price field is primary/mandatory field for the system.So for a line item where no CIF price is applicable, for instance for the Civil cost, please enter at least 0.01 AED (one fil) in the CIF price ,then system shall allow to quote only for ETC component.
- 2. System though shall take into account all the component prices like CD,LT and ETC added as condition to main CIF price, it may not show in the screen the grand total of all the prices and may only show the total prices entered against CIF field only. To see all the prices entered against all the price component and the foreign currency details if any, the tenderer should take a print out of the quotation by clicking on the Print tab in the header and compare with his/her excel sheet created separately for price calculation.
- 3. For Turn key Tenders ,you can give discounts in % or in amount for Grand Total or for any line item following the process described above in pages 22 and 23.
